

FOR IMMEDIATE RELEASE

Bamboo Solutions Announces SharePoint® Hands-On Workshop Series

Bamboo's Workshops are Scheduled in Chicago, Dallas, San Francisco, Seattle and Washington DC in April through June

RESTON, Virginia – March 18, 2008 - Bamboo Solutions Corporation today announced its SharePoint Hands-On Workshops for learning best practices, tips and techniques for Microsoft Office SharePoint Server 2007. Bamboo's Hands-On Workshops are instructor-led labs that cover topics ranging from SharePoint Administration to optimizing SharePoint for Project Management and take the perspective of both the IT Administrator and the Business End User.

Bamboo's Hands-Workshop series are scheduled twice daily from 8:30 a.m. – 12:00 p.m. and 1:00 p.m. - 4:30 p.m. on the following dates:

- April 17 – Washington DC
- April 29 - Chicago
- May 6 - New York
- May 20 - San Francisco
- May 22 - Seattle
- June 17 - Dallas

Each participant will have a workstation, printed course materials and a live SharePoint "sandbox" environment. The sandbox will be available for 30 days after the workshop.

To reserve a seat, interested participants can register online at www.bamboosolutions.com.

"We have designed our SharePoint Hands-On Workshops Series to conveniently share our expertise in enhancing SharePoint environments across the U.S.," said Michael Tanner, CEO, Bamboo Solutions Corporation. "Bamboo now has over 40 Web Parts, Solution Accelerators and Custom solutions and we want to continue to impart our knowledge and creativity on the vast opportunities of where customers can go with SharePoint."

About Bamboo Solutions

Bamboo Solutions takes an innovative approach to enhancing and extending Microsoft SharePoint solutions. Bamboo provides a suite of Web Parts, Solution Accelerators and customized products for project management, social networking, business intelligence, portal administration and content management. In the last two years, over 3,000 customers across 38 countries have utilized Bamboo's offerings to implement their solutions in record time.

Bamboo's SharePoint and customer deployment experience, combined with its Development Community, significantly minimizes development time, resources and costs of deploying collaborative SharePoint applications. Customers can easily try, test and buy from the online store and gain access to additional resources through Bamboo's partner network. Bamboo Solutions is headquartered in Reston, Virginia, USA, with offices in Gothenburg, Sweden and Ho Chi Minh City, Vietnam.
