BAMBOO SOLUTIONS ANNOUNCES GSA CONTRACT AWARD

Bamboo Solutions Products Available for GSA Purchase by U.S. Federal, State and Local Agencies

RESTON, Virginia—September 14, 2009 – Bamboo® Solutions, a Microsoft Gold-Certified Partner and leading provider of technologies that enhance Microsoft® SharePoint®, today announced that it has been awarded a five-year Multiple Award Schedule (MAS) contract GS-35F-0641V for Federal Supply Schedule 70, by the General Services Administration (GSA). Bamboo is now an approved provider of SharePoint technologies to all US federal, state and local government agencies. Products are available for immediate purchase via GSA Advantage!®, the Federal Government's premier online catalog, information, and ordering systems which gives federal customers the ability to quickly search, compare and order those products and services which best meet their needs.

Bamboo's broad line of products enhances the basic capabilities of the Microsoft SharePoint platform. From Web Parts and Solution Accelerators to Applications, Bamboo products allow for greater user collaboration and productivity by simplifying operations and augmenting capabilities in the areas of project management, administration as well as data access and presentation.

Bamboo products have gained adoption across a broad spectrum of government agencies, including the Federal Aviation Administration, Social Security Administration, NASA, USDA, US Army, US Air Force, US Navy, United States Contracting Command, and Alaska Army National Guard, Bamboo products have become a critical component for successful SharePoint user adoption. Bestselling products for Government buyers include SharePoint Calendar Plus Web Part, SharePoint Alert Plus Web Part, SharePoint List Rollup Web Part, SharePoint Project Management Central (PM Central™) and Bamboo Ultimate Suite. Products included in the Bamboo Ultimate Suite have been assessed for 508 compliance, based on the Voluntary Product Accessibility Template (VPAT).
