MEDIA ADVISORY

BAMBOO SOLUTIONS PROVIDES EXPERTISE AND INSIGHT INTO CHALLENGES FACING SHAREPOINT USERS WITH MONTHLY WEBINARS

RESTON, Virginia – May 12, 2011 - Bamboo Solutions, a leading provider of products that enhance Microsoft SharePoint, today announced the dates for their next round of SharePoint Webinars. Offered monthly, each free, one-hour webinar addresses common issues users face when deploying SharePoint solutions, and offers insight into the usage of Bamboo's extensive line of products to enhance SharePoint. Webinar focus areas include Project Management, Workflow, Administration, SharePoint Essential products, and Enterprise Framework Solutions. Webinar hosts demonstrate standard usage, review best practices, provide tips and, at the end of each session, open the Webinar to questions from attendees.

Providing insight and guidance on a variety of SharePoint topics useful to both end users and administrators, webinars are hosted by Bamboo's highly experienced staff:

- **Angela Dillon.** MCSE, MCTS, MCT. As a member of the Bamboo Solutions Sales Support team, Angela helps customers maximize their SharePoint investment with the deployment of Bamboo products, tailoring solutions to meet individual customer requirements. Prior to joining Bamboo, Angela provided training and consulting services in Microsoft technologies to government and private sector clients in the Washington, D.C. area.
- **Jeremy Minich.** MCTS. A Solutions Consultant and Sales Support Engineer for Bamboo Solutions since 2008, Jeremy has worked as a SharePoint Administrator in various direct-hire and consulting organizations and roles.
- **Sean Mason.** As a member of the Bamboo Sales Support team, Sean assists customers to increase utilization of their SharePoint environment with the use of Bamboo's solutions; Sean's specific expertise revolves around Workflows.
- **Julie Auletta, P.E.** Julie is responsible for many areas of services and consulting for Bamboo, including major account management. She brings more than 20 years of consulting experience to her position, having led numerous successful consulting organizations. Her advice has helped many customers leverage SharePoint and Bamboo products to successfully solve a variety of business challenges.
- **Rob Manfredi.** Rob brings over 20 years of enterprise software sales and marketing experience to Bamboo. He has managed both direct and partner channel sales teams delivering software solutions to the Fortune 1000 market.

The following webinars are offered each month. All times listed are Eastern Daylight Time (EDT):

Bamboo SharePoint Project Management Central Webinar

Attend this webinar if you are looking for a complete, out-of-the-box project management solution, or if you are building your own SharePoint portal for Project Management and need some tools to fill in the gaps between what SharePoint provides and what you need to do.
