BAMBOO SOLUTIONS OFFERS SHAREPOINT REVOLUTION CONTEST, SUBMIT THE BEST WEB PART IDEA AND BAMBOO WILL BUILD IT

RESTON, Virginia – February 22, 2008 - In celebration of the SharePoint portal 'revolution', Bamboo Solutions is offering a contest to submit the most useful Web Part idea for enhancing SharePoint environments. Starting on Monday, February 25th and running until 5:00 p.m. EST, March 14th anyone can submit an idea via the Bamboo website (store.bamboosolutions.com/revolution2008.aspx). A winner will be chosen and announced on the Bamboo website in late March.

Bamboo will develop the software based on the winning entry, and the grand prize winner will receive a fully-paid license for the resulting Bamboo product. The new product can also be used by either the winner or the winner's company.

Bamboo Solutions is a Gold Sponsor at the SharePoint Conference 2008 in Seattle, at the Washington State Trade and Convention Center, March 3-6 at booth 706. The SOLD OUT show will bring together over 3,000 SharePoint professionals and over 60 SharePoint vendors to the Seattle area and features a keynote by Microsoft Chairman, Bill Gates.

Bamboo Solutions takes an innovative approach to enhancing and extending Microsoft SharePoint solutions. Bamboo provides a suite of Web Parts, Solution Accelerators and customized products for project management, social networking, business intelligence, portal administration and content management. One of the largest SharePoint development organizations in the world, Bamboo is an advocate and practicing constituent of community driven software development. This methodology allows Bamboo to develop and deliver approximately 3 new products and 6 minor releases each month. In the past two years, over 3,000 customers across 38 countries have benefited from Bamboo's software development agility, implementing their SharePoint portals in record time.

SharePoint is the fastest selling Microsoft product of all time. Bamboo is a leader in the SharePoint market and employs a revolutionary development methodology for rapidly delivering new products. Bamboo's SharePoint and customer deployment experience, combined with its Development Community, significantly minimizes development time, resources and the cost of deploying collaborative SharePoint applications. Customers can easily try, test and buy from the online store and gain access to additional resources through Bamboo's partner network. Bamboo Solutions is headquartered in Reston, Virginia, USA, with offices in Gothenburg, Sweden and Ho Chi Minh City, Vietnam. For more information, visit: www.bamboosolutions.com.
